 until 2:00 PM

Virginius Harrison Award

By M.:W.: Ronald W. Conaway
 Grand Master

Your continued financial support is vital in helping our Masonic Home to further their efforts to provide the highest quality of service to our residents.

Last year our Masonic Home provided over \$300,000. in care to our less fortunate brothers and sisters who are not able to provide for themselves. Please help us continue this most vital service. The care we provide for our guest is unparalleled and second to none. I ask you to contribute as liberally as your means will permit. It is important to remember that as Delaware Masons we have but one philanthropy – our Masonic Home!

The 54th annual Grand Lodge Day at Highfield, our Masonic Home, is scheduled for June 3, 2006 and will start at 10:00 AM. A picnic lunch will be provided to all, free of charge, and will include hot dogs, hamburgers and all the fixings. There will be plenty of entertainment including music, antique cars and other fun activities such as the Shrine Clowns, face painting and balloons for the children, and much more.

The Harrison Award will be presented to the lodge with the highest percentage of contributions to Highfield and many of our lodges will present their annual support gifts to the Masonic Home. There will also be raffles throughout the day with all proceeds donated to Highfield.

Parking will be at the Newport Masonic Hall with frequent shuttle service to Highfield. This year's event promises to be the best yet. Plan to be there for all the fun!

Help Wanted

Full-time General Maintenance Technician

Highfield Masonic Home of Delaware has an opening for a full time general maintenance technician with a strong background in carpentry, electrical, HVAC, and/or plumbing. Highfield is a 77 bed residential facility serving our Masonic brethren and their loved ones. Salary based on experience. For more information and/or to schedule an interview, contact Dom at (302) 994-4434.

This year we will, again, recognize the lodge with the highest percentage of participation with the prestigious "Virginius Harrison Award". Last year's winner was Christiana Lodge No. 35 with a participation level of 18.125%. Let us all work together to top that figure in each lodge this year.

My brothers, I thank you for your continued support of Highfield, our Masonic Home.

HIGHFIELD RECEIVES A+ FROM STATE INSPECTORS

Highfield
 Masonic Home of Delaware is proud
 to report that inspectors from The
 Division of Long Term Care have
 found Highfield to be deficiency free.
 All long term care facilities are sub-
 ject to regular inspection.
 Residents and Staff take pride in their
 Masonic Home.
